ABOUT THE AUTHOR

Phillip W. Van Allsburg Jr. is a member of The Church of Jesus Christ, which has its headquarters in Monongahela, Pennsylvania.

At a young age he desired to be a school teacher. He had a great desire to teach and help others learn. His father was a public relations man who wrote a great many articles for newspapers, magazines, and books. His love for the written word, and sharing of knowledge with others stemmed from this.

In 1970, he was married to Valerie S. Cox, whom he says was a special gift from God, meant just for him. "Without her, I could accomplish very little, but with her and the help of God, all things are possible," he stated.

In 1972 he graduated from Arizona State University with distinguished honors, and a Masters Degree in Special Education. During the same year he and his wife met The Church of Jesus Christ. Early in 1973 they became members of The Church of Jesus Christ.

Mr. Van Allsburg states that one of the greatest influences in his life came when he met Thurman S. Furnier, an Apostle in The Church Of Jesus Christ. Mr. Van Allsburg related that Thurman S. Furnier approached him one day and said "Take your natural talents, write down what you hear, and share it with others for the honor and glory of God."

Mr. Van Allsburg has written a number of articles for his church paper. He has also published a Scriptual program entitled "Restoration" which includes a coloring book for children, slide presentation, and written materials, and a number of other slide presentations on various topics in his church.

Mr. Van Allsburg feels that if just one person benefits from his endeavors, then his time has been well spent.
DEDICATIONS

This book could never have been completed without the undying patience, love, and support God placed in the heart of my wife. Without her companionship I could have never gotten this far.

My children, Pete and Hope, encouraged me greatly by their desire to seek knowledge. They encouraged me with the idea that I could give them a tool to use in their search for knowledge, this dictionary.

I wish to thank my parents Phillip and Catherine Van Allsburg for all their support. My great love of writing came from my father. He taught me that the strength of truth in print is immeasurable, and to use it wisely.

I wish to express my gratitude to one who has passed away, Thurman S. Furnier for his spiritual direction.

This book is dedicated to the honor and glory of God and his children, the Saints of The Church of Jesus Christ and to those who seek a closer walk with Him.

ACKNOWLEDGEMENTS

This book could never have been compiled without the research and studies of countless people over the years.

I wish to thank our close friend Timothy Scolaro, who assembled all of the map work for the dictionary.

A very special thank you goes to our very dear friend Susan Coppa who put hundreds of hours in doing all of the art work for this book.

I wish to thank all the typists that worked on the book and the proofreaders who found the errors in my ways.

There are thousands of bits and pieces in compiling a book such as this, if I have overlooked anyone in recognizing them, I apologize deeply for the oversight.
CHURCH HISTORY

The Church of Jesus Christ was not set up by any man. The Church was set up by Jesus Christ when He lived on the earth. The Church of Jesus Christ is built upon the love that Jesus has for us. Jesus taught us about baptism, footwashing, laying on of hands, sacrament using bread and wine, and many other things.

There were people who did not like Jesus or accept His ways. Those who did not like Jesus took Him and hung Him on a cross. Jesus went back to heaven to be with His Father.

After a while, the church that Jesus set up on the earth fell apart because the love people had for Him was gone.

Jesus told us in His word that someday The Church of Jesus Christ would be set up on the earth again and that His gospel would be restored.

A young man in the early 1800's in America by the name of Joseph Smith was praying and asking God what church he should join. Jesus answered him and told him to join none of the churches that were on the earth, because none of those churches were Jesus' church.

Young Joseph kept praying and about three years later he was given some beautiful golden plates by an angel called Moroni. On these golden plates was written a history of the people of the Americas before, during, and after Christ's stay here on earth.

Jesus gave Joseph Smith the ability to translate the markings on the golden plates and wrote it onto paper in English.

Jesus then brought back and restored His Church upon the land of America. Christ gave the power and priesthood authority to the members of the Church of Jesus Christ.

Once again by the blessings of God there was footwashing, laying on of hands, sacrament with bread and wine, and baptism.

The headquarters of The Church of Jesus Christ today is in Monongahela City, Pennsylvania, U.S.A.

Jesus said that His gospel is to go to the world and be preached to every living creature.

Jesus stands at the door of your heart and is waiting to enter your life.
INTRODUCTION

This dictionary was set up to help people in understanding the terms and words found in The Book of Mormon. This is in no way to take the place of a concordance, but is to be used to train people to search out the unknown and oftentimes misunderstood terms and words from The Book of Mormon.

In putting together the information for this book, much time and research has been spent. It took eight years to put together and check all of the historical information, geographical information, and the large amount of terms and words used.

All dates used in the book are educated guesses. None of us were alive at the time The Book of Mormon was first written by the ancient people of the land of North and South America (the Promised Land), so all we can do is estimate as closely as we can as to the dates.

The drawings of buildings, clothing, and other items are in some cases examples through my eyes of what items might have looked like, such as the Sword of Laban, etc.

The description of the locations of cities, bodies of water, hills etc. are educated guesses by the compiler.

This book is in no way a complete and exact reference book. Lord willing, this book will help others to get a better understanding and a better visual picture of the life and times of The Book of Mormon.
ARTICLES OF FAITH OF THE CHURCH OF JESUS CHRIST

1. We believe in God, the Eternal Father, and His Son, Jesus Christ, and in the Holy Ghost.
2. We believe that man will be punished for his own transgressions, and not for Adam's.
3. We believe that through the Atonement of Jesus Christ, all people may be saved through obedience to the ordinances of the Gospel.
4. We believe in the principles of the Gospel as taught by the Savior; Faith in Jesus Christ, Repentance, and then Baptism by immersion for the remission of sins, and the laying on of hands for the gift of the Holy Ghost.
5. We believe in Feet Washing. John 13:5.
6. We believe the angel has flown. Rev. 14:6,7.
7. We believe that a man must be called by God, by His Holy Spirit and by the laying on of hands by those in authority, to preach the Gospel and administer in the Holy Ordinances thereof.
8. We believe in the same organization as was instituted by Jesus Christ, namely apostles, prophets, pastors, teachers, evangelists, etc.
9. We believe in the various gifts of the Gospel such as the gift of tongues, prophecy, revelation, visions, healings, interpretation of tongues, etc.
10. We believe the Bible to be the word of God as far as it is correctly translated, and we also believe The Book of Mormon to be the word of God.
11. We believe that God has revealed, does reveal and that He will continue to reveal. We believe that He will reveal much pertaining to the building up of His Kingdom upon the earth.
12. We believe in the literal gathering of Israel, including the ten lost tribes, also the Seed of Joseph (American Indians) on this land of America; and that Christ will eventually come and reign on earth one thousand years, between the First and Second Resurrections. See Rev. 20:21 and 26.
13. We believe in, and claim the privilege of worshipping God according to the dictates of our own conscience. We concede and allow all others the same right.
14. We believe in being subject to Kings, Queens, Presidents, Rulers and Magistrates; in obeying, honoring and sustaining the laws of the Land.

vii
15. In conclusion, we say "whatever things are true, and honest, and just, and pure, and lovely, and of good report, we seek to uphold, and maintain; for the fruits of the Spirit are love, joy, peace, long suffering, gentleness, goodness, faith, meekness, and temperance; against such there is no law. The apostle Paul says to "prove all things, and hold fast to that which is good," Amen.
